Gubernatorial Timber.

ANOTHER RICHARD IN THE FIELD.

A "Son of Toll" Who Owns Bank
Shares and Corporation Stock—Mc-
Corkle May Hold Trumps—Gov-
ernor Fleming Makes a Bad Break
and the Miners Have Reason to Re-
joice at a Democratic Administration.

Special Correspondence of the Intelligence.

CHARLESTON, W. Va., Sept. 20.—Have you heard anything about the Democratic race for the nomination for Governor Fleming? No! Things have been very placid on the surface, but strong undercurrents are at work nevertheless. Nothing but those things which occur are certain. This is what some of the candidates are now thinking.

The new entry on the track is Mason county blood. Of course he is from Mason. It would be a cold day when Mason could not scare up a new candidate for any office in the country. And it will be likewise a colder day when they pull in under the wire as winners.

President Eastman, a good old-fashioned, easy going, sandy-haired, sun-burned farmer, is the man. He is a son of toll. That is true. If his father was old toll the school books tell us about. He farms like Farmer Capelhart. Mr. C. owns shares in a big mill corporation and a National bank, and looks on while others throw the face of nature that she may shed tears that ripen into smiles of golden grain. A gentleman farmer, he is good, said!

MR. MAC CORKLE'S CHANCES.

MacCorkle is working like the industrious little animal that carries a wad of straw on his nether extremity. He is sowing the seed, but I almost fear the men with timothy straws in their hair and burrs on their trousers legs will put their veto on a lawyer candidate. These same men are slowly beginning to learn how to use the muscle and brawn that the plow-handle gives them. The politicians may hold the trump and take the trick. If they do not, look out for that quiet man, Farmer Capelhart, M. C. He is a large, numerous and dangerous element in the situation at present.

The former idea in politics has caused a great many aspirants for office. Even T. C. Atkinson, the long-legged granger of Putnam, who has been elevated to the position of professor of agriculture at the State University, has the gubernatorial honey bug mixed with the hayseed under his head gear. I do not think he need day dream over it. It will take a farmer who owns part of a national bank. Money and politics have a peculiar affinity.

GOV. FLEMING AND THE MINERS.

Speaking of prospective governors, calls to mind the very peculiar attitude of the present incumbent in regard to the miners' strike at Raymond City. It is one time when the miners won the entire sympathy of the public. Raymond City mines are located much nearer the market than any of the Kanawha mines and coal can be marketed for one-half cent less per bushel, yet the upper Kanawha operators paid the advance of one-half cent per ton and Raymond refused. The Raymond mines are owned by the Marmonets of Cincinnati, Germans, who employ a Dutch superintendent who has the traditional pig-headedness. This is the whole matter in a nut-shell.

But the point I want to get at is Governor Fleming's queer idea of the law. Marmonets sent a body of men, armed with Winchester, from Ohio to guard some negro workmen last week. The miners' attorney applied to Governor Fleming to return the men on the ground that no body of armed men from another State could enter another State, etc. The operators claimed that they were brought here and sworn in as special constables, making them civil officers. Governor Fleming said he had

NO RIGHT TO INTERFERE
With the civil authorities. Then the miners' attorneys plead that no one who was not a citizen could act as a special constable and Governor Fleming decided adversely, and the armed guards are still there. Note right here that Governor Fleming is a mine owner himself. How self-interest does warp the judgment of the best of us! This same Governor Fleming is the man whom the Democrats put forward as the champion of the poor man. "One of the people" is he, they claimed. "A plain, common, every day citizen," was his only recommendation. And that was false in some respects. He may be plain and common, but he is one of the monopolists just the same. The rank and file of the Democracy of the Kanawha valley are done with Governor Fleming, forever and for aye, and the people will take with a barrel of salt Democratic tales about running "one of the people" for Governor.

SERIOUS CHARGES

Against the Officers of the Taormina.
Cowardice Caused the Loss of Life.

LONDON, Sept. 22.—A Dutch journalist, who is one of the survivors of the Italian steamship Taormina which was recently sunk after collision off Cape Colonna on the coast of Greece, by the Greek steamship Thessalia, has written a letter in which he makes serious charges against the Italian officers. He says that the Taormina's crew, led by the first officer, basely deserted the captain, and that they clambered "like rats" on board the Thessalia. Only a handful of sailors, the journalist adds, remained loyal, and they were unable to lower the Taormina's boats, which were filled with miscellaneous articles and so securely fixed and sheltered from the sea that it was impossible to launch them.

Continuing, he says that the passengers could not find any life belts, life rafts or life saving apparatus of any kind and he attributes the moral loss of life, about sixty drowned, to these defects.

Floods Along the River Dee.

LONDON, Sept. 22.—Remarkable spectacles are presented along the river Dee. A tide twenty feet high driven up the river by the gale has effectually backed the floods coming down. The result is the course of the river is flooded for miles and only hedge tops are visible in

the country bridging its banks. Reports from all parts of North Wales, England and South Scotland tell of irreparable damage to crops.

MARTIN'S FERRY.

The Barroughs Meeting—Various Items,
Personal and General.

The committee of ladies who have charge of the dinner for the soldiers' reunion on October 6, held a large meeting last evening at S. F. Dean's office. The following soliciting committee was appointed: First ward, Mrs. Richard Brown, Misses Gertrude Tannehill, Lucy Beale, Maggie Moore, Maude Beck, Miss Johnson and Miss Rena Coleman; Second ward, Misses Mattie Exley, Jennie Lytle, Lizzie Warren, Anna Chessell, Sallie Miller, Mattie Hobensack, Maggie Strobel and Mrs. Nathan Vail; Third ward, Misses Sue Barr, Belle Green, Belle McGowan, Alice Thomas, Cora Lesner, Carrie Benz, Maggie Barr, Anna Campbell, Ellen Davis and Miss Fritz. The ladies have taken hold of this matter with great vigor, and will make it a success if hard work will do it. They adjourned to meet next Monday evening at the same place, to receive the reports from the soliciting committee.

At the meeting of the Republican club last night committees were appointed to make arrangements for the Barroughs meeting at the Opera House next Friday evening. They are as follows: Advertising, John W. Crooks, Decorating Opera House, J. S. Cochran, Dr. A. R. Ong, Adam Wernig and F. H. Hadsell. Music, Grant T. Sedgwick, Escort, Theo. Keller, M. C. Mitchell, W. C. Mitchell, W. R. Ratcliff, David Llewellyn, J. T. Hanes, Wm. Wetherald, James Runyon, Grant Sedgwick, J. C. Gray, J. S. Cochran and John W. Crooks. The Hon. Mr. Burroughs spoke at Marietta yesterday, to-day he will speak at Cambridge.

Mr. J. T. Young returned last night from Cherry Camp, W. Va., where he has been visiting his family a month or so. He says considerable interest is taken in the Ohio election and all of the Republicans predict McKinley's election by an overwhelming majority. Mr. Thomas Charlton was home from Greensburg, Pa., over Sunday and tells the same story.

Five thousand American tin plate McKinley buttons arrived last night via Adams Express, and the tin and buttons were not made in Wales or any part of Great Britain. There was no Welsh imprint on the large wooden box and the nails used are American. Another consignment will arrive to-morrow or next day.

J. A. Bownocker has been elected president of the Chautauque Circle, Miss Nellie Sedgwick, corresponding secretary and treasurer, and Miss Jennie Lytle, recording secretary. The circle will hereafter meet on the second and fourth Monday of each month.

Mr. John Turner the gentlemanly ticket agent of the C. & P., returned last night from a four weeks' trip in the far West.

Rev. I. S. Winters, pastor of the M. E. church, has been returned and his son, Will Winters, will preach at Ashtabula.

Miss Anna Campbell, who has been laid up with typhoid fever for the past three months, is suffering a relapse.

After next month Martin's Ferry people will have to pay more than ten cents for natural gas or do without.

On Monday night a thief made an unsuccessful effort to enter the residence of Robert Heeslop.

The Last Days of Pompeii will be presented at the Opera House this evening by John Palmer.

Mrs. Rev. F. S. DeHass and Miss Mattie Green will sail for Europe to-day.

Mr. B. F. Brady attended a family reunion at Knoxville yesterday.

There is a regular epidemic of colds in Martin's Ferry.

The Pope Against Duelling.

Rome, Sept. 22.—The Pope has sent a letter to the German and Austrian Catholic clergy urging them to make the strongest endeavor to eradicate duelling.

After invoking the penalties pronounced by his predecessors, the Pope recalls the fact that the penalties are directed as much against seconds and witnesses as against principals. He deplores the fact that the civil laws against duelling are ignored, while soldiers are compelled to fight duels.

Millions Saw the Holy Cont.

THREES, Sept. 22.—The exhibition of the Holy Cont will end on October 4. The number of pilgrims who have viewed the coat already exceeds the total number of those who viewed it in the exhibition of 1864, and the total number in this exhibition will probably reach two millions.

Chinese Sent Back.

DETROIT, Mich., Sept. 21.—About twenty Chinamen sneaked across the river from Canada last night under the direction of a white man. Eleven have been arrested and will be returned at once. They were all coached and said they lived at London and Vancouver. One of them fought desperately while being taken.

The New Discovery.

You have heard your friends and neighbors talking about it. You may yourself be one of the many who know from personal experience just how good a thing it is. If you have ever tried it you are one of its staunch friends, because the wonderful thing about it is, that when once given a trial, Dr. King's New Discovery ever after holds a place in the house. If you have never used it and should be afflicted with a cough, cold or any Throat, Lung or Chest trouble, secure a bottle at once and give it a fair trial. It is guaranteed every time or money refunded. Trial bottles free at Logan Drug Co.'s Drug Store. 6

Bradfield's Female Regulator has won, on merit alone, a widespread and enduring reputation. It is a combination of vegetable agents, the result of the experience of one who made the diseases of women a life-long study. Taken according to directions the organs awake to new life and energy, leaving the woman free from pain at these periods. Sold at wholesale and retail by Logan Drug Co. and all druggists. 2

A National Event.

The holding of the World's Fair in a city scarcely fifty years old will be a remarkable event, but whether it will really benefit this nation as much as the discovery of the Restorative Nervine by Dr. Franklin Miles is doubtful. This is just what the American people need to cure their excessive nervousness, dyspepsia, headache, dizziness, sleeplessness, neuralgia, nervous debility, dullness, confusion of mind, etc. It acts like a charm. Trial bottles and fine book on "Nervous and Heart Diseases," with unqualified testimonials, free at the Logan Drug Co.'s. It is warranted to contain no opium, morphine or dangerous drugs. 1

HEART FAILURE.

The Warnings Are Plain—Beware!

No hour passes that some one does not drop dead of Heart Failure. The first symptoms of this fatal disease may be slight, but do not fail to heed them if you value your life.

A nervous, weak, weary feeling, giddiness, swimming of head, strange, faint feelings, trembling, sinking sensation, coldness of feet and legs, fluttering or palpitation of heart, feeling of apprehension, anxiety, drowsiness, daytime sleeplessness, nights.

Neglect of these symptoms will result in Heart Failure, Spasms or Neurosis of the Heart or Death. If you use the great nerve and heart remedy, Dr. Greene's Nervura, when the first symptoms appear, it will prevent all danger of heart failure. It is purely vegetable, and harmless, and its use offers the only sure hope of curing this terrible disease and averting the fatal result. Druggists sell it for \$1.00.

WELL AT BREAKFAST—PROSTRATED AT NOON.
"I was troubled with heart disease. Some mornings I would be surprised when I woke and found myself alive, for I expected a sudden death any moment. I bought a bottle of Dr. Greene's Nervura, and must say that it has rapidly brought me to health and strength. I have now taken four bottles and call myself cured, and I must certainly say that it is the most wonderful remedy for the Nerve, Brain and Heart that has ever been discovered."

J. J. CONNOR, 181 Main St., Brockton, Mass.

N. B. Dr. Greene, the successful specialist in curing all forms of nervous and chronic diseases, 35 W. 14th street, New York, can be consulted free, personally, or by letter. Call or write him about your case, or send for symptom blank to fill out, and a letter fully explaining your disease, giving advice, etc., will be returned free.

Little, But Lively.
"Little drops of water,
Little grains of sand,
Make the mighty ocean,
And the pleasant land."

And dropping into prose, we would say, that Dr. Pierce's Pleasant Pellets are mild, but prompt in relieving constipation, sick headache, bilious attacks, pain in the region of the kidneys, torpid liver, and in restoring a healthy, natural action to the stomach and bowels. 25 cents a vial. One Pellet a dose. Little, but lively. The use of the old style, drastic pills is an outrage on the human system.
